Sketches of endangered Australian species
Around Australia in 50 days!

Day 28 – 32 Kalgoorlie W.A. to The Kimberley, W.A.

"IT’S NO BUNGLE"

After a fleeting visit to the Western Australian capital via the Indian Pacific, it was time to head north of the state to the Kimberley region.

**Day 28-30:** On the last few days in Kalgoorlie, Will Sgroi let us use his dump truck from home to carry a load of gold nuggets from the ‘Super Pit’ here at school. Check us out below!

**Day 31-32:** We were off to a great start when we reached the Kimberley region in W.A. on Monday. We saw the camels on Cable Beach at sunrise and spent time relaxing in Broome.

Our tireless little travellers took a helicopter ride over the Purnululu National Park to see the awesome Bungle Bungle ranges, with its distinctive beehive-shaped towers that are made up of sandstones and conglomerates (rocks composed mainly of pebbles and boulders and cemented together by finer material). On the way back we stopped off at Mitchell Falls and the spectacular natural phenomenon on the coast of the Kimberley region, the Horizontal Falls. The Horizontal Falls are a fast-moving tidal flow through two narrow, closely aligned gorges, located in Talbot Bay. The direction of the flow reverses with each change of tide. As tides in the Kimberley can reach 10 metres, a peak tide gives rise to a significant difference in the sea level on either side of each gorge.

We hope you like our representations of the Bungle Bungles.

Next week we head for sunny Queensland to see Brisbane and the Gold Coast. Before we leave the Kimberley though, K/1/2 will fit in a visit to the Argyle Diamond Mine. Hopefully we’ll find a rare pink diamond or two. Check back next week to find out.

LOST

Reading glasses in a hard black case. OPSM stamped inside and a blue cleaning cloth. Lost in Ariah Street. Urgently needed. If found please phone: 0458 768 209
Ardlethan Junior Cricket

Congratulations to all our players on the weekend with a great win against the West Wyalong Haddins. Losing the toss, Haddins Captain Jasper Louden and opener Max James came out firing with a huge 6 and a couple of 4s in the first few overs until Jed found the stumps sending Max walking 1-8. The Haddins settled in with some skillful batting and careful running adding fifty runs to their tally before our pocket rocket Max claimed his first of three wickets - with the help of Jeds three sensational catches - what a duo!! Brodie S was deadly in the field, finding the furniture twice! Success in our bowling continued with Jayden taking 2-4, Jed, Nate, Harry M all claiming another wicket each ending the first innings 9-102. Well done to Haddins captain Jasper and Bobby Jones on adding a respective 50 runs to their final score. Second innings - Jed and Sam opened and quickly found their pace at the end of four overs Smiths were 0-44. All our players batted well this week, contributing to our score and some players achieved a personal best - awesome stuff! A mix up at the stumps saw an unlucky Brodie S out and it just wasn’t Jayden’s day bowled by the captain Jasper Louden. At the 15th over we had a total of 106 runs when West Wyalong declared, our final score 6-111. Great sportsmanship was shown throughout the game and thanks to all parents for helping on the day. This week we take on the Ungarie Watsons at home - 8.30 am start.

A big cheer and well done to Hazza Collis for his selection in the PSSA Cricket Team - good luck with the remaining selections. A special Smiths cheer to Brodie Jones who is unable to play this week as he will be visiting his Pop who is unwell - your teammates will be thinking of you!

THANK YOU THANK YOU

We would like to thank Jason and Nicole Woodward - The London Hotel for sponsoring our Sportsmanship Award. Following each game the umpires will nominate a player who has demonstrated outstanding sportsmanship qualities throughout the game - their name will go into a draw to win a Sportsmans Warehouse voucher. The London Hotel also invites all players and families to lunch following each home game - free jugs of soft drink for players!

Ardlethan Pre School is currently taking enrolments of 3-5 year olds for 2015.

We are a community based Pre School and provide a learning environment that is fun, stimulating and engaging.

Fees for 2014 started at $15/day.

Subsidies are available for low income families. Spots are limited

For further information please phone Fiona at the Pre School 69782323, call up and see us between 8:30am – 4pm Tuesdays and Thursdays or contact us by email ardpreschool@hotmail.com

ARDELTHAN
PRE-SCHOOL

Pre-season
Fri 28th Nov - Training Run 6pm at Ariah Park followed by social gathering at the Bowling Club
Fri 5th Dec - Training Run 6pm at Ariah Park followed by social gathering at the Mirrool Hotel

Christmas Party
Sun 14th Dec - Training Run 11am at Ariah Park. Followed by the Northern Jets Christmas Party - Seniors, Juniors and Netball. Families welcome and encouraged to attend. 1.00pm start at the Ariah Park swimming pool - Lunch provided.

Dear friends at Ardlethan
Thank you so very much for the amazing and uplifting support and prayer you have sent my way during my recent diagnosis of Breast Cancer and subsequent surgery and recovery. I am humbled and honoured by your care.
The cancer was grade 3, more aggressive and fast growing than first thought, so I am now back in Wagga this week having various scans etc. before beginning chemotherapy next Tuesday. So, your continued prayers and support will be very much appreciated. Thank you and God bless you all

SHUROO’S
$470.00ea or $570 fitted
It might sound expensive, but not when you compare it with your insurance excess.

Tried and tested over 28yrs. Reports show between 70% and 90% reduction in kangaroo related accidents for vehicles fitted with ShuRoo. Kangaroos are wild, flighty animals and can be counted on to act as such, with the only difference being that ShuRoo alerts them to your presence as you are approaching. This allows both you and the roo ample time to be able to avoid physical contact.

Wanted
Bus Driver for ACS students attending Griffith TAFE in 2015
We are looking for any generous members of our community who would like to volunteer to drive the bus to Griffith each Thursday in 2015. If 4 people were to volunteer it would only mean making the trip once a month. This year the students were picked up at 7.30am and had returned to Ardlethan by 2.30pm
For all enquiries or to indicate your interest, please contact the school on 69782046

Thank you to all our loyal customers and staff for your custom and support during our time at the IGA in Ardlethan. While we are both excited and sad to be moving on, we know we are leaving you and the supermarket in good hands with new Manager Krishna Mota.
We hope you will welcome Krishna into the community and show him the good will and support you have shown us.
We wish Krishna and Ardlethan all the very best for the future.
Gavin and Lyn
