**Jeromy Lucas selected in U15 NSW CHS AFL Team!**

On the 3rd June Jeromy Lucas travelled to Wagga for the 2014 U15 NSW CHS Australian Rules Football Carnival. There were nine teams from across NSW contesting for the State title. Jeromy was representing the Riverina South West (SW) team at this three-day carnival.

On the first day the Riverina SW team played two games, the first was against Sydney and the second against Combined Catholic Schools (CCC) North. The Riverina SW team started their game against Sydney very well, leading their opponents by three goals at the main break. However, the boys from Sydney fought back in the second half and over ran the Riverina SW team, winning by 9 points; 7.6-(48)-6.3-(39). In the second game of the day the Riverina SW boys took control early in their game against CCC North; inaccurate kicking for goal nearly cost the Riverina SW team from recording an exciting one point victory; 5.9-(39)-6.2-(38).

On the second day the Riverina SW team played another two games, the first was against CCC South and the second against South Coast. The Riverina SW boys improved their goal kicking accuracy against CCC South and recorded another one point victory; 3.1 (19)-2.6 (18). Their next game against the South Coast was very one sided with the Riverina SW team recording their biggest victory for the carnival, winning by ten goals; 11.8 (74)-3.0 (18).

At the conclusion of the four games the Riverina SW boys were on equal points with Riverina Murray and CCC North. Unfortunately the Riverina SW team’s percentage was lower than the Riverina Murray and CCC North teams qualifying the Riverina SW boys for the third and fourth play off.

On the third and final day the Riverina SW team played their final game against the Combined Independent Schools (CIS) team, the Riverina SW boys played well, however, were defeated by their opponents by 11 points (26-15). The Riverina SW team finished fourth which is an improvement from their sixth placing in 2013.

At the conclusion of this carnival the best players from each team and the U15 NSW CHS Australian Rules Football team were announced. Jeromy had performed very well throughout the three days and had been named in the best players in each game. The opposition coaches voted Jeromy the best Riverina SW player for the carnival.

The final announcement was naming the players who had been selected in the U15 NSW CHS Australian Rules Football team. This team consists of the best 22 players from across NSW based on their performance at this three-day carnival. Jeromy was in with a chance after having been judged the best player of his team. To his delight, Jeromy was selected as the youngest player in this prestigious team! This is the third time Jeromy has been selected to represent NSW in Australian Rules Football. The team will travel to Sydney from the 25th July 1st August for the U15 National Australian Football Championships. Congratulations Jeromy on your outstanding achievements and good luck at the National Carnival. Thank you to Ian and Suzanne Lucas for supporting Jeromy at this carnival.

Premier’s Debating Challenge for Years 5 and 6

Earlier in Term 2 Ardlethan Central School were the host for Rounds 1 and 2 of the Premier’s Debating Challenge competition.

The ACS debating team consists of Hannah Scarlett, Katie Doyle, Amy Crighton and Ben Weston.

The first debate was against Temora West Public School and the topic was based around the statement that ‘Boys and girls should be at separate schools’. This was the first debate for most of our team and they presented their arguments and refuted the claims of the opposition very well. The debate was hotly contested by both schools with the scores being very close. The adjudicator, Miss Fowler, eventually awarding Temora West the winners of Round 1.

The second debate was against Beckom Public School and the topic was ‘That students should only use the internet for school work.’ As the affirmative side, our students put up some excellent arguments in the debate and showed a huge improvement in technique from the previous round. Another very close debate, with Mrs Worland awarding the win to the Beckom team.

The next 2 rounds will be held on the 19th June at Ariah Park where our debating team look forward to challenging some more local teams.

Year 9/10 English – Poetry

During this past term Year 9/10 have been learning about poetry from the 19th and 20th century. As a part of this unit students focused on the works of Edgar Allen Poe and his poem ‘The Raven’.

Students took turns at reading/performing sections of the poem, annotating and deconstructing the poem and researching how the poem has been interpreted by the modern audience, including by ‘The Simpsons’ in their ‘Halloween - Tree House Horror’ episodes.

Students were then given the task to reinterpret the poem, in two different methods. The first method was to rewrite the poem, by condensing each stanza down to one sentence, and to create a visual representation that accompanied it.

The second method called Black Out Poetry, was to create a completely new poem using only the words from the original poem, where you blacked out all words not in the poem with either black pen or an image. Below are some of the results of students’ reinventions of the Black Out Poetry on ‘The Raven’.

Miss Fowler

This work is on display at the school and is well worth a look!

By Sam Scarlett
By Heather Barnard

A mummy again ended with animation so ugly then, but when those muscles and joints you detected were capable of motion, it became a thing such as even I might not have conceived. I paused the night wretchedly. Sometimes I felt my beat so quickly, and hardly that I left the palpitation at the corner of my mouth, and extreme weakness. Mangled with this horror, I felt the bitterness of disappointments; dreams that had been food and pleasant.

By Olivia Beard

Oh, how I chanted it. But that he was near, and the only broken door. The only to whom I was the only to whom I was near. Once in the house, which the window. Not the best obstruction made for a novel. The house was the only door. It was the only door. In this, the only door, the only door, the only door, the only door. In this, the only door, the only door, which the window. Not the best obstruction made for a novel. The house was the only door.
to get your kids loving Fruit & Veg.

Come to our Fruit & Veg Sense Session
Eating more fruit and vegetables could be the simplest change you can make to improve your family’s health!

Ardlethan/Beckom
Auskick and Net Set Go

Auskick—This week the Auskickers started out with a warm-up, then worked on our handball skills. Goal kickers were: Jets—Luke Thompson—12 goals and Nate Doyle—1 behind. Swans—Monique Hopkins-Jones—6 goals, Tarnee-Lee Hodgkin—1 behind and James Strickland—1 behind.

IGA award—Brock Strickland
Sportsman Award—Tarnee-Lee Hodgkin

Net-Set-Go—This week the girls warmed up with a game of ’What’s the Time Mr Wolf.’ Hopping and balancing were next. They then had a great time developing their aim trying to knock the netballs off the cones. We then proceeded to split the girls up into ages. Each group playing fruit salad, then practicing their elevation jumps. Then Jess taught the older girls how to lead out for the ball, catch it and then pivot and pass, whilst the little ones concentrated on running, changing directions, quick take offs and their passing. Our Sportsman Award week went to Summah Menzies whilst our IGA Player of the week went to Charley Brooks.
