**Ardlethan Central Schools Kashaya Kuemell placed on Deans merit List at Wollongong University**

Another term over, hard to believe! Personally I have had one of the most rewarding terms at Ardlethan Central School. In just nine weeks our students have been provided the opportunity to take part in a large number of educational and sporting activities that have both challenged and energised them. As Acting Principal I have been in the privileged position of overseeing the school and all of its activities. However, I think one of the greatest privileges I have had is being able to read over each and every student’s report. They have obviously worked extremely hard over the semester and this is reflected in their results and teacher comments.

As the term finishes I would like to take the opportunity to thank every staff member in the school, the time and effort they put into their roles is what makes this school so productive. Thank you also to the students who are so inspiring with their quest for knowledge and the parents and community members who support our school in so many ways.

We were very excited recently to learn that Kashaya Kuemmel, who completed Year 12 in 2008 at Ardlethan Central School, has graduated from Wollongong University gaining a place on the Dean’s Merit List. This honour is bestowed upon the top 5% of students who have completed their Law Degree. Congratulations Kashaya, the school staff and students are very proud of you!

Public Education and in particular small rural schools in small communities are without doubt a great environment for children to grow and learn in. It always reminds me of the saying “it takes a whole community to raise a child” how true that is.

Wishing you all a safe and happy holiday.

PSSA NETBALL KNOCKOUT.
Last Friday 20 June, the combined PSSA netball team consisting of students from Ardlethan, Barellan, Beckom and Ariah Park travelled to Jubilee Oval in Griffith to compete in the first rounds of the PSSA knockout competition. Our first game was against a very tall and well-drilled Beelbangera Public team. Despite this being the first time the girls had ever played together, they were gallant and never gave up, going down 20 goals to 7. We then went into the gala day section of the draw. As the day progressed the girls really started to connect as a team and played some quality netball. We were very dominant in our next four games, with the opposing teams only scoring a maximum of one goal against us.

The girls were given the opportunity throughout the day to play in a variety of positions, some they had not tried before and thoroughly enjoyed this experience. All girls displayed excellent sportsmanship and were fine ambassadors for their schools.

Team members consisted of Katie Doyle and Mae Lucas (Ardlethan Central); Paige Kenny and Lilly Geltch (Barellan Central); Emma Collis (Beckom Public); Lilly Walker, Hayley Beurckner, Abbey Doyle, Louise O’Hare, Laura Harper (Ariah Park Central).
Trent Barrett Shield Final

On Monday 16th June David White travelled to Paramore Park in Wagga for the Trent Barrett Shield final. There were 19 teams from Albury, Boorowa, Coleambally, Cootamundra, Darlington Point, Griffith, Gundagai, Junee, Temora, Tumut, Young and Wagga participating in this modified Rugby League competition. David was part of St Anne’s Primary School team. David’s first game was against Gundagai Public School in which his team drew 12-12. David side stepped his opponent and ran half of the field before scoring his first try for this competition. The second game was against Lavington Public School; David’s team played extremely well winning 28-4. David crashed over the line and scored his second try in this impressive win. The St Anne’s Team had qualified for the quarter final after finishing first in their pool. The quarter final was against Tumut Public School; the boys played very well however, were defeated 8-0 in a hard fought game. The St Anne’s team missed out on qualifying for the semi-final by 1 try! Congratulations to St Pats Gundagai who were the 2014 Trent Barrett Shield Champions. Thank you to Lyn White for transporting and supporting David in this competition. Thank you also to Mark Hughes (St Anne’s coach) for allowing David to play in the St Anne’s team this year.

The Water Cycle in K/1/2

Last week K/1/2 took a close look at the water cycle and how water vapour creates clouds through evaporation and falls back to the Earth as rain. Students dripped water droplets on to cotton wool to simulate water evaporating and turning into clouds. We found that a few drops was held by the ‘cloud’ but eventually it became heavy with moisture and it dripped out the bottom to show how rain falls. Check us out in action!
Year 5/6- boat designers and builders

Year 5/6 have been studying floating and sinking in their Science unit this term.

To complete the unit, the students had to design and build a boat using everyday items from home. The results are very impressive.

Success!! All boats were successfully floated with no “Titanic” moments!

This week saw us in Temora for all day football. A cool start to the day, but fantastic conditions for winter football. The Jets football club would like to take this opportunity to thank Temora for the respect and understanding they showed to our club on Saturday as we try to come to terms with the loss of a valuable and much loved member of our community.

**Under 11’s**

What a good, hard fought win, well done team. At half time we were down 24 to 1 and we managed to win the game. The Ardlethan Pharmacy socks went to Harry Collis who had his best game for the year on the ball. Tommy Denyer had a great game at full forward, making a contest every time the ball went near him to kick a goal and win the Mirrool Hotel/Landmark Water bottle award, others all to kick a goal each were Jack Hawthorne, Charlie McCormack and Riley Walker. The Landmark $10 award went to Riley and Harrison Judd, both of them going hard at the ball all day. Charlie McCormack, Blair Mclean and Nate Doyle played great games in the centre and our backmen Fraser Harper and Riley Walker had ripper games. Great win boys, you sang the team song with great enthusiasm, delighting your supporters and your coach who finally got to hear you sing the team song!

Final Score  Jets  4 - 7 - 31  def   Temora  3 - 7 - 25

**Under 13’s**

The Under 13’s came up against the top team in the competition missing some key players and they played their best game of the season, only going down by 9 points. After the tragic event during the week of losing their assistant coach Gerard Judd the boys really lifted their efforts to play the game of their lives in honor of Juddy. Special mention to two Under 11’s players who filled in, Blair Mclean with 2 goals and Charlie McCormack with one goal, who scored all the teams majors. Great games from Max Harper to win the $10 Ariah Park Hardware award, Joe Ryall the Coaches Award, Mitchell Doyle the Ariah Park Supermarket/Landmark Water bottle award, these boys kept the team in the match and we were always a chance of snatching a win. The previous time the teams met, Temora won by over 100 points, so it was a super effort. Other players who tried hard all day were Oscar Day to win the socks, Brodie Semmler, brothers Tom and Josh Roscarol, Nic Fairman and Charlie Hawthorne.

Final score Temora  3 - 10 - 28  def    Jets  3 - 1 - 19.

**Under 15’s**

A very pleasing performance from a side which is improving every game. Slow to start but finished full of run. Lachie Jones was sensational in the ruck, taking numerous marks and plenty of kicks to win the Beckom Hotel towel award. Blake Harper was great all day with thoughtful disposal and 4 goals, Hamish Gaynor enjoyed

Continued on page 8
playing against his old side to win the socks. The Landmark water bottle/Mirrool Hotel award went to Henry Grinter, a coach’s delight and his return made a massive difference, controlling centre half back. The Prentice Bros were again in our best, their speed and fitness coming to the fore. We had seven goal kickers this week, as mentioned Blake with 4, Jeromy Lucas with 3 and singles to Chris Ryall, Hamish Gaynor, Ben Carmichael, Max Harper and Ben Cattle. Let’s keep the winning way going boys.

Final score Jets 11 - 12 - 78 def Temora 1 - 2 - 8.

Our next game of football and netball is at Ariah Park on Saturday, 28th June, against GGGM.

Canada Experience

Congratulations to Hamish Barnard who was successful in gaining one of 20 positions Australia wide, to travel to Canada. He is going as part of an Australian Army Cadet Exchange Program. Whilst in Canada he will participate in many activities including kayaking, rock climbing, visiting the glaciers and the Calgary Stampede. He will also have the opportunity to talk to Canadian cadets exchanging ideas and information to bring back to the Australian Army Cadets.

Hamish heads off for his well deserved 20 day adventure in the first week of the school holidays and we wish him all the best.
