Year 9 and 10 explore argument and conflict in English

Currently in Year Nine and Ten English we are studying the topic: Conflict – Romeo and Juliet.

As a part of this unit’s introduction, students had to come up with everyday conflicts that they had either experienced themselves or witnessed around them.

The students paired up and after a lessons practice, had to perform a short skit of the ‘conflict’ they chose.

We had a series of different conflicts ranging from what TV show to watch and who has control of the remote, when to sell the sheep now or in two weeks’ time, should you drink alcohol or not, who gets to buy the last pair of shoes on sale, which is better McDonalds or Hungry Jacks, should you argue with a Police Officer when you are pulled over for a RBT and who gets the last can of Coca Cola.

Over all the students seem to have had a fantastic time being given permission to argue and cause a conflict.

Tough conditions for PSSA Rugby Championships

Last week, Charlie Hawthorne travelled to Kiama to take part in the NSW PSSA State Rugby Championships as part of the Riverina Rugby Team. At the carnival there were 13 teams including Combined Independent Schools (CIS), Sydney West, South Coast, Sydney North, Hunter, North Coast, Sydney South West, Sydney East, North West, Mackillop, Polding and Western and of course Riverina.

Due to the severe weather conditions including large amounts of rainfall and strong winds resulting in the grounds becoming flooded and one crossbar being knocked down, all games were played on one field. Playing time was reduced to 12min halves to enable all rounds to be completed.

On the first day Riverina came out of the gate strong going down in a couple of close matches to North Coast 7-5, Hunter 10-0 and Sydney North 26-0. By the end of the day, both players and officials alike were worn out from the long day and less than stellar conditions.

The second day saw a slight improvement in the weather conditions with the rain easing, however, the winds persisted making the games difficult in terms of both kicking and passing. Again the Riverina boys played hard and went down in close matches against Western 10-0 and Hunter 12-7.

A cork to the leg unfortunately kept Charlie out of action on the final day’s play where the Riverina boys took on both the South Coast and North West teams. The boys went down to South Coast 20-0 who took advantage of the wind in the first half and pulled out some “old school” textbook moves in the second half. In the game against North West, the Riverina boys were victorious winning 7-5, resulting in the team’s first win at a state carnival in 3 years to the excitement of parents and carnival officials.

Throughout all games, Charlie showed grit and determination slotting himself into any position that was asked of him. A number of other coaches and officials from various regions complimented Charlie on his sportsmanship and hard running/tackling game. This passion and enthusiasm was encouraged by his fellow team mates and his coaches.

Over the last two years Charlie has moulded himself into a competent rugby player who is willing to play in any of the forward positions and who gives his all on the field.
