Roald Dahl’s Revolting Rhymes and Dirty Beasts

On Tuesday 13th October, primary headed off to Wagga Civic Theatre to see the live production of Roald Dahl’s Revolting Rhymes and Dirty Beasts. After the bus ride in and a quick lunch, it was off to the theatre. The event started off with some fun tunes to get everyone involved and in the mood for a great time. The performance was done very cleverly, with four actors, fantastic lighting and music and some great props. It was a fun and fast moving performance enjoyed by all. The performance was true to the book and gave all our minds an idea of the rhymes put into action. Thanks to Mr Bray, Mrs Flagg and Mrs Smith for driving students over, and also to Mrs Litchfield and Mrs Tasker for coming along also.

ACS Primary students perform very well at modified Tennis Gala Day

On the 15th October Tyler Carnie, Harry Collis, Charlie Crighton, Nate Doyle, Jack Hawthorne, Mae Lucas, Isaac Maslin and Emma Morris travelled to Marrar for the inaugural Coolamon/Ardlethan PSSA ANZ Tennis Hot Shots Red Ball Gala Day. There were 15 teams from our PSSA Zone playing in this modified competition. The court size, tennis ball size/compression, racquet size, length of games and point score system were all modified for this competition.

Our school entered two teams; Blue Team-Jack Hawthorne, Nate Doyle, Tyler Carnie & Mae Lucas and Purple Team-Charlie Crighton, Harry Collis, Emma Morris & Isaac Maslin. Both teams were placed in different pools and played four preliminary rounds, all students played one singles and one doubles game per round.

Our purple team recorded one win from their four preliminary games; defeating Matong. In their other games they were narrowly defeated by Ariah Park, Coolamon and Marrar teams. Our blue team was successful in their preliminary rounds winning all four of their games, defeating Ariah Park, Beckom, Coolamon and Matong teams. These four wins placed our blue team in the final against Coolamon. Congratulations to Jack, Nate, Tyler and Mae who were successful winning their final and advancing to the Riverina Gala Day to be held in Wagga-10th November. Congratulations also to Emma Morris and Harry Collis who were awarded prizes by the tennis convener for their assistance on the day.

All ACS students are to be congratulated on their skill, sportsmanship and outstanding behavior. Thank you to Sue Flagg for assisting with the preparation of our teams and Sally Collis, Renee Doyle, Kate Hawthorne, Suzanne Lucas, Nadia Maslin and Katrina Morris for assisting with the transport. Year 5 Environmental Leadership Challenge 2015

Four Year 5 students participated in this year’s regional ‘Enviro Challenge’. Harry Collis, Jack Hawthorne, Mae Lucas, and David White, along with 14 other schools, were asked to lead an environmental project at their school. ACS’s team “Creative Crushers” decided to target aluminium cans for recycling. On Wednesday 28th October the teams had their final gathering to present their projects to the group.

The four students presented their film about crushing cans for money to buy a worm farm for the school, and trees for the community oval.

They also learnt how to make recycled paper from scrap paper, bubble makers from piping and shoe laces, as well as playing games and viewing and discussing each other’s projects.

Though the challenge has concluded we still want your used aluminium cans as “The crushers” are still working towards their targets, and beyond.

PSSA State Athletics Carnival

On the 14th and 15th October Broc Carnie and David White travelled to Sydney Olympic Park for the New South Wales (NSW) Primary Schools Sports Association (PSSA) State Athletics Carnival. Students from Sydney, North and South Coast, Hunter, North West, Western and Riverina regions were represented at this carnival.

Broc had qualified for the Junior Boys High Jump and David the 11 Years Boys Shot Put. This was the first State Athletics Carnival for Broc and second for David. Broc finished 25th in the Junior Boys High Jump, recording a height of 1.25m and David finished 27th in the 11 Years Shot Put, throwing 9.47m. Both boys enjoyed the experience of competing at this prestigious carnival and are to be congratulated and commended on their fantastic athletics achievements in 2015!

Thank you to Lorraine and Troy Carnie, Lyn and Richard White for transporting and supporting our students in Sydney. Caroline Stewart

Whooping cough information for schools

There is an outbreak of whooping cough (pertussis) in NSW, mainly affecting school-aged children. Coughing spreads the infection to others nearby. Whooping cough can spread to anyone at home, including younger brothers and sisters. Whooping cough can be especially dangerous for babies. Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully-vaccinated children. Older children may just have a cough that is persistent and may be worse at night.

- Children with these symptoms should see a doctor.
- If your doctor diagnoses whooping cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics. Keep coughing children away from babies.
- Whooping cough vaccines give good protection against infection but immunity fades with time. Check that all your children are up to date with their vaccines, due at 6 weeks, 4 months, 6 months, 4 years and 12 years of age (offered to all Year 7 students through the NSW school-based vaccination program). A booster is also recommended at 18 months of age.

A booster dose of vaccine is also recommended for adults that are in contact with young children, such as school staff and parents. Pregnant women are recommended to have a booster dose during each pregnancy and this is funded by NSW Health. Those who are new parents or carers of babies should consult their general practitioner about appropriate immunisation.

Your local public health unit can provide advice about whooping cough on 1300 066 055 or visit the NSW Health website for information for childcare and schools about whooping cough.
